Curriculum materials developed by the State Department of Education shall be used. Any other materials used in the A.I.D.S. The school counselor will present the curriculum and materials that will be used. The meeting will be held during evening hours. No student shall be required to participate in A.I.D.S. Prevention Education if parent or guardian objects in writing. A student permission letter will be sent home to notify parents/guardians of the time and date of the forum.

ATTENDANCE POLICY

In accordance with the policy of the Board of Education, each student in high school may not be absent from class more than ten (10) days per semester in order to receive credit for that class. Absences for school activities, absences by arrangement, and absences with doctor's notes do not count against the student for this regulation. Excused, unexcused, and truancy are types of absences that do count against the student for the purposes of the Attendance Policy Regulation.

ABSENCES**EXCUSED ABSENCES**

1. Personal or family illnesses
2. Medical appointment
3. Legal matters, including service on a grand, multi-grand, or petit jury
4. Extenuating circumstances deemed necessary by the principal
5. Observance of holidays require by student's religious affiliation

It is the responsibility of the parent to notify the school by 10:00 a.m. if a child is to be absent for one of the above reasons. The school will contact those students' parents who do not call. If no contact is made, the parent must send a note or call the day the child returns before the student can be excused. The student can make up work for excused absences. They will have number of excused absences plus one day. It is the responsibility of the student, on the day of return, to make arrangements to see that the work is made up.

ABSENCES FOR SCHOOL ACTIVITIES

Students are to have their assignments turned in to each teacher on the activity absence form before they leave for the school activity. The maximum number of absences for activities, sponsored by the school, which removes the student from the classroom, shall be ten (10) for one school year. Excluded from this number are state and national levels of school-sponsored contests. State and national contests are those for which the student must earn the right to compete. The student will be allowed to make up any work missed while participating. Due to our unusual geographic limitations, the time it takes to travel to scheduled activities shall be exempt. If a student has conflicting events, a contest shall override a practice or performance and if one contest is a state or regional contest, it shall override a regular contest. If both are non-playoff contest, the student may choose which

contest to compete. In all cases the principal shall have final decision. All participating students in any activity or athletic event must be present at least five of the seven periods that day, or the day before if the activity leaves before or during the morning. Staying home or skipping a class on the activity day will prohibit the student from participation

ABSENCES BY ARRANGEMENT

There are absences in which the parents deem it necessary that a child miss school for reasons other than those that fall within an excused absence.

1. A student may take up to five days of absences by arrangement per year.
2. A student may make up all work missed without penalty. School work shall be completed prior to the absence or arrangements made to complete the work per teacher directions.
3. In order to take an absence by arrangement, the parent or guardian must submit at least three days prior to the absence a written request for the student to be absent.

TARDINESS

A student is tardy who is not in the student's seat when the bell to begin the period sounds. Each set of three (3) tardies in a class constitutes an absence that counts toward the allowable limit of absences for the semester. A student who is more than 15 minutes late is counted absent.

TRUANCY

A student is considered truant when absent from the classroom without the knowledge of either the school or the parent. The student will be subject to further disciplinary action.

UNEXCUSED ABSENCES

This is any absence that does not fall within one of the above categories. Work may be made up in accordance with grade level student handbooks.

FORFEITURE OF CREDIT

A student who for any reason, excluding school activities or doctor's notes, is absent ten (10) times in a semester course will receive no-credit (NC) for that course unless the student's grade is failing at the end of the semester, then the student will receive an F. If there are chronic health conditions or special considerations involved, then a physician's statement must accompany each absence over the maximum allowed. A committee will determine if a student receives credit for that class.
